

NCO Suite Floor Plan

At the Complex, there are eight barracks buildings, all of which are designed in the one-plus-one style, and can house NCO's and Junior Enlisted Soldiers. NCO's are given the entire suite, with one of the bedrooms set up as a living room. NCO's have a private 118 sq. ft. bedroom, along with a personal kitchenette and bathroom. All rooms are furnished with a single bed, bedside table, lamp, desk, chair, mounted wall mirror, entertainment center, 10.3 cu. ft. refrigerator and microwave. All living rooms are furnished with a loveseat, lounge chair, end table, dinette set, lamp, and an additional entertainment center. The rooms are pre-wired for cable and telephone, however, services for each are optional and can be purchased from the local service providers.
